Faculty and Administration

Pastor Scudder has founded the Quentin Road Christian Schools and Dayspring Bible College with the purpose of providing a comprehensive and complete education in a Christian atmosphere. Since a fruitful life does not just happen, we seek to cultivate the whole life of the student. To this end the spiritual life, scholastic potential, social life, and physical capabilities of each student are considered and nurtured in order that a mature, well-balanced Christian will go forth.

True wisdom is God-given (I Cor. 1:30). It is our purpose to thoroughly prepare the student for Christ's service through systematic Bible study integrated with his general education.

With the capable assistance of Mr. Holler and Mr. Rende, our Pastor has established a program dedicated to educating each student to the best of his or her ability.

Wilderness Camp and The Home Place Resort

What is Wilderness Camp?

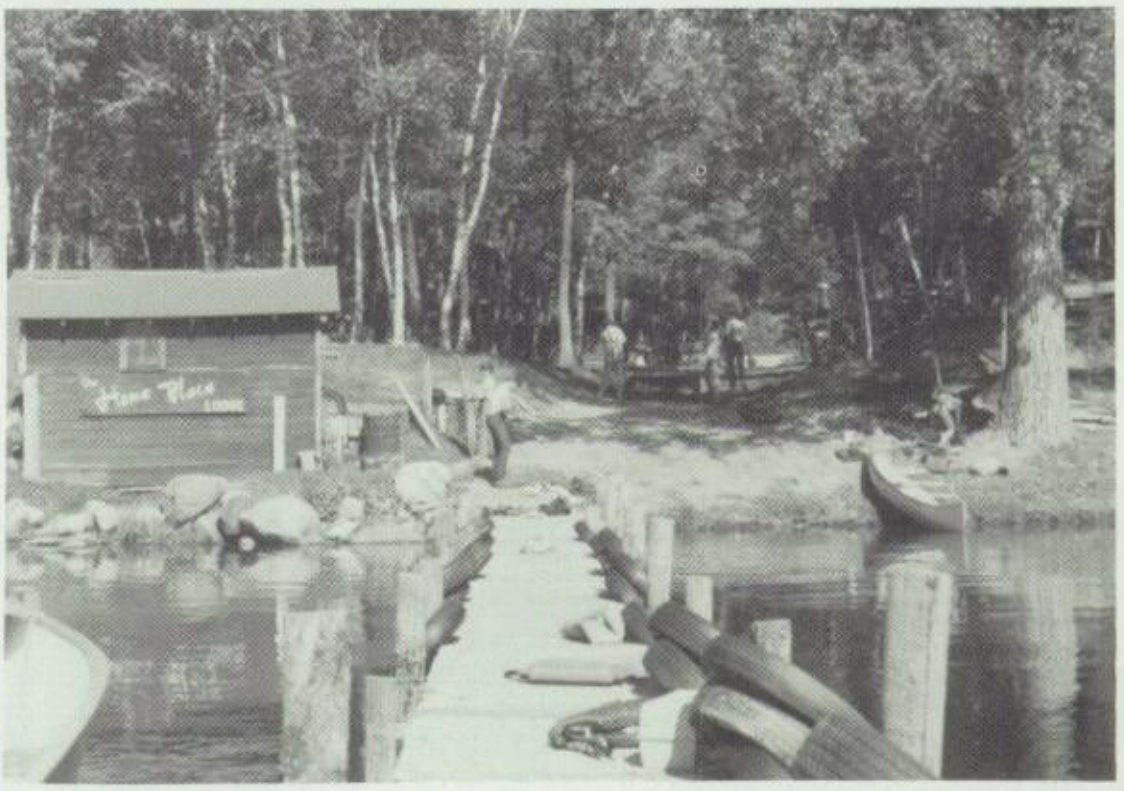
Campers from all over join us each summer for an unforgettable time at Wilderness Camp. For two weeks they are part of our camp "family" along with other campers, and a dedicated staff of counselors and workers. They develop old skills, learn new ones and search for truths in God's Word. Prospecting as a team teaches them about working with others and building self-confidence.

Campers tent camp with 6 or 7 others of their own age. Each tent also has a dedicated counselor assigned to it. Wilderness Camp is located on Leech Lake in the Chippewa National Forest. The camp is surrounded by numerous other lakes that are enjoyed for their beauty and sport as well. There are indoor washroom facilities with showers and plenty of hot water located in our new camp building. The new building overlooks Steamboat Bay with numerous large picture windows on the lake side of the dining hall.

We take great care in selecting the highest quality of staff members. At Wilderness Camp, our committed staff helps each child to feel at home and seeks to meet their individual needs. Our entire staff is completely dedicated to teaching others about Christ and the exciting life we can have in Him.

All Wilderness Camp activities are well-planned and supervised. Activities include: Bible studies and times of sharing, swimming, fishing, canoe trips, tent camping, skiing and tubing, campfires, swamp-walks, fish fries, hiking, softball, volleyball, and many other exciting and competitive games.

Our Bible studies seek to integrate Christian living into everything we do at Wilderness Camp and at home.



What is the Home Place Resort?

The Home Place Resort is Quentin Road Bible Church's acquisition for the Wilderness Camp Program. The Lord miraculously provided the opportunity for the purchase of the Home Place in the Summer of '85. The Home Place Resort is located near some of the greatest walleye and northern "hot spots" on beautiful Leech Lake.

Our modern lake front cabins are completely furnished with gas stoves, refrigerators, complete bathrooms, showers, dishes, cooking utensils, and bed linens.

Some of the available activities include small game hunting, fishing, boating, swimming, and relaxing in the sauna. The resort also has hiking and cross country skiing trails which are leased to us by the Chippewa National Forest.

The welcome addition of these facilities provides friends and families with the opportunity for year-round vacationing fun!

The Torch staff, along with the students and faculty, would like to take this opportunity to express our appreciation for Pastor Scudder. His example of dedication and faithfulness to the Lord's work are the only reason this volume exists. For this cause, we conclude the 1986 Torch with a signature salute to our beloved Under-Shepherd.
